1 Sergeant Alferez pulled out the primary unit, which  
2 was in the backyard, and had them replaced with Morales  
3 and Rodriguez so that the primary unit could -- could go  
4 meet with the family and the CP kind of conduct the  
5 investigation and figure out what we had going on inside  
6 the house, you know, to get the specifics of why -- you  
7 know, what we needed to do and -- and, you know, what  
8 the suspect was -- if he had committed any crimes.

9 After they came out, I heard, "Hey, we have a good  
10 criminal threats and the sus" -- you know, the suspect  
11 is -- they're going to sign an IR for him for criminal  
12 threats. So I knew we had -- we had a felonious crime  
13 and that he had threatened the family. I also heard  
14 while this is going on the -- one of the officers, a  
15 female officer, I don't recall her name, would --  
16 started to -- started to broadcast over the PA system  
17 trying to communicate with the suspect.

18 You know, trying different things, telling him,  
19 "Hey, we just want you to come out. You know, we just  
20 want this to end peacefully. We're trying -- we're here  
21 to help you."

22 The suspect kept yelling out the window, "Hey."

23 You know, I couldn't hear exactly what he was saying  
24 all the time but I could hear that he was yelling and it  
25 was, you know, in an aggressive manner, and he was still

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

1 upset about his family and why we were there. I could  
2 also hear the -- Sergeant Alferez redeploying officers,  
3 so he pulled out Morales and Rodriguez from the backyard  
4 and had them go to the neighbors yards and then had all  
5 the officers go -- he made sure that all the officers  
6 were no longer in the backyard and they were on the back  
7 side of fences so they were all -- they all had a fence  
8 for coverage on the outside to completely establish  
9 containment.

CV22-03188 DMG(SKX)

10 After a while, the female officer's, you know,  
11 trying to speak through the PA, it became apparent that,  
12 you know, he -- he wasn't listen to go her. He was  
13 calling her -- you know, I heard him call her a bitch at  
14 one point and, you know, let someone else speak, so  
15 shortly after that, another officer, I believe it was my  
16 partner, got on the PA and also tried to -- tried to  
17 speak and say that, you know, say the same things, hey,  
18 just come on out. We want you to come out with your  
19 hands up. We don't want anything to happen to you.  
20 Just come out, and that we weren't going anywhere.

21 Sergeant Alferez picked up the PA and he also said,  
22 "Hey, look." He kind of gave him a warning. "Hey,  
23 look. You know, you got to come out. If you don't come  
24 out, you know, with your hands up, then lethal for" --  
25 or, less lethal force is going to be used against him in

~~CONFIDENTIAL~~

12

~~CONFIDENTIAL~~

1 that. It's either going to hurt him or it could  
2 possibly kill him.

3 And then Officer Lopez continued to -- he grabbed  
4 the -- he got the PA again and continued to try to just  
5 talk to him. But it seemed like everything that he was  
6 saying, nothing was getting the point across. He just  
7 kept saying the same thing. He kept talking about his -  
8 - you know, just screaming out the window, kind of  
9 rambling on.

CV22-03188 DMG (SKX)

10 He kept going from either the -- the window next to  
11 the door, and then every once in a while, he would go to  
12 the window on the one-side, the one on the -- the one-  
13 side, but it was on the more eastern window, and he  
14 would yell things out that window. At one point, I saw  
15 him throw something out that window. I don't know  
16 exactly what it was but I could tell that it was on fire

17 and sparking.

18 I said -- you know, so I kind of said, "Hey, he  
19 threw something out the window."

20 I wasn't aware of exactly what it was. That caused  
21 a little bit of smoke to come from that window. But  
22 then he -- the suspect went back into the -- to the  
23 house to -- and I think to the original room that he was  
24 towards the window where the -- next to the door. While  
25 he was inside, I could hear him beating on things. I

~~CONFIDENTIAL~~

13

~~CONFIDENTIAL~~

1 don't know if he was punching walls or smacking things,  
2 but I could hear him -- hear him hitting things on the  
3 inside.

4 Throughout the whole thing, every time he would come  
5 to the window, he would just do it briefly to yell and  
6 then he would go back out of view. After a little bit  
7 of Officer Lopez trying to communicate with him, they  
8 switched it up, and then Officer Martinez took over and  
9 he tried to -- to reason with him. You know, offering  
10 him a smoke, saying, "We'll give you a smoke if you come  
11 outside," but the same thing, it didn't seem to work.

12 I could hear at one point that -- that they said  
13 that MEU was en route. And then I also heard them  
14 broadcast that there was still at least one person  
15 inside the garage at the location. So I heard them get  
16 a team together, four officers, and broadcast that they  
17 were going to go in to get those -- those -- that person  
18 out.

19 So the -- I watched the team went around, you know,  
20 to the two side and towards the back of the house and  
21 made contact with the person in there who ended up being  
22 a -- got a female and a male. So then they announced  
23 that they were coming back out and they -- so they  
24 pulled those people out and then at that point, we kind  
25 of made the determination that nobody else was inside

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

1 the house based off of the officers speaking with the  
2 family, they broadcast that nobody else was inside the  
3 house.

4 We continued the -- to try and communicate with him  
5 through the PA. And the suspect just continued to yell  
6 things. He kept saying that his, you know, his  
7 stepfather was a rat. And he kept -- he kept saying  
8 things about, you know, that the white people were going  
9 to show up and that the Hispanics seemed to -- to kind  
10 of like step up and -- and, you know, go against them  
11 and stand up against the white people. So to me, that  
12 seemed like he was --

13 You know, it kind of either on something or, you  
14 know, un -- just aggressive and -- and at this moment,  
15 very hateful. I communicated to an officer on the PA.  
16 I said, "Hey, you know, maybe try speaking in Spanish  
17 because it seems like, you know, he -- he doesn't like  
18 white people, and if he thinks that there's someone that  
19 speaks Spanish out here, we might be able to reason with  
20 him a little more."

21 The suspect just continued to, again, to yell more.  
22 He kept talking and speaking between English and Spanish  
23 and talking about his stepdad running away and  
24 abandoning the family. And, you know, we would try and  
25 talk about the stepdad was no longer here or, you know,

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

1 at one point, we even said, "Hey, we'll bring him back.

2 If you'll -- if you'll come out, then we can talk."

3 That didn't seem to work. He -- everything we kind  
4 of tried to talk to him about, nothing seemed to -- he  
5 never seemed to want to comply with it. He just stuck  
6 to yelling about being upset about his family. We --

7 some you know, even at some point, we talked to --  
8 when we would bring up his stepdad, he would say, "I

9 don't care. Kill that -- kill that guy," or, you know,  
10 or, "Kill them," you know, talking about his family.

CV2203188 DMG(SKx)  
11 So pretty much the whole time, he was -- he was  
12 super aggressive and he would either be yelling out the  
13 window or wouldn't -- we would lose track of him inside  
14 the house because I couldn't see through any of the  
15 windows. I could see him when he would approach the  
16 window. I could see the curtain move or I could see  
17 just a glimpse of his face, but it was only -- it was  
18 always only for a glimpse and then he would move back  
19 away from the window.

20 But everything he was saying was aggressive and to  
21 me, he never -- he never mentioned anything about, yeah,  
22 I'll come out or, yeah, if you do this I'll come out no  
23 matter what we said to him. Once -- you know, at one  
24 point, we -- we were told to tell him that SWAT was on  
25 the way, so to me, I took that as a notification for

~~CONFIDENTIAL~~

16

~~CONFIDENTIAL~~

1      SWAT was made and that they were en route.

2      And after -- so then they -- we told him, "Hey."

3      Put on the -- go on the PA and tell him, "Hey, look.

4      SWAT's on their way."

5      They're going to go in. They're going to gas him

6      out. They're going to -- and force him to come out or

7      they're going to go in and get him. That didn't seem to

8      have any effect on him either. He just was still, you

9      know, talking about how his stepfather, how he abandoned

10     his family. And -- and actually, after he said that, he

11     said -- he said something along the lines of, you know,

12     after -- after we said, hey, look, you know, SWAT's

13     going to come in and they're going to get him, and he

14     said -- and he said something along the lines of, "At

15     least I'll have died protecting my family."

16     And to me, I kind of took that as, you know, he

17     already had made up his mind that if SWAT went in there,

18     you know, it was going to be -- he was going to do

19     something to -- he was not going to give up and that

20     somebody was going to have to use some type of force on

21     him to get him into custody.

22     Based off of him not giving us any indication that

23     he was going to come out, us not making any progress

24     with communicating with him, you know, it was my

25     impression that we were going to stand by for MEU and

~~CONFIDENTIAL~~

17

~~CONFIDENTIAL~~

1 for SWAT to come out to take over the scene. I didn't -  
2 - I didn't think that he was going to come out for us.

3 And so I kind of just believed that we were going to  
4 be standing by until they got there to relieve. So  
5 after, you know, after realizing that we maintained the  
6 same thing, I would -- where I was, I could kind of hear  
7 him sometimes. You know, I could hear some of the  
8 things he was saying.

9 I would try to relay that to the officer on the --  
10 whoever the officer was on the PA just to try and give  
11 them like heads up, hey, look, he's upset about his  
12 father running or -- or, you know, being a rat or  
13 whatever it was to try and give them something to try to  
14 talk to him about that might resonate with them.

15 But nothing seemed like it was working. You know,  
16 every time we'd talk about his, you know, family or  
17 whatever it was or, you know, he would just get mad and,  
18 you know, call him a bitch or -- or say things like

19 that He -- at one point, he said something about, you  
20 know, the gringos are going to show up and they're going  
21 to do the same thing to you guys that they're going to  
22 do to me.

23 And I, you know, I think he was saying that the -- I  
24 didn't really know what he meant but I think it was  
25 along the lines of that other officers were going to

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

1 come show up and -- and, you know, hurt us or him or,  
2 you know? I didn't -- I didn't really take -- I didn't  
3 gather exactly what he was saying but -- throughout the  
4 whole thing, you know, I was kind of assessing to see if  
5 anything was working.

6 I didn't -- I didn't believe anything was working.

7 And and but I knew that we had good containment at  
8 the house and that, you know, pretty much all we could

9 do is to continue to hold, to keep him in there, because  
10 I was concerned that if he -- if he exited the  
11 residence, and the last time I had seen his family, they  
12 were just down the street.

13 I was concerned if he exited the residence, he might  
14 go run out and try and harm them, because he had already  
15 threatened them. He was already talking about, you  
16 know, how he was mad at them. And he was okay with, you  
17 know, us killing him or whatever. You know, you're --  
18 that's what he was implying.

19 So I you know, I kind of thought there was  
20 nowhere else for us to go. We couldn't really redeploy  
21 anywhere else because if we had backed up any further,  
22 we would have given him too much access to the street,  
23 which could have allowed him to either break through the  
24 perimeter or get to the family or even cause, you know,  
25 some type of crossfire issue.

~~CONFIDENTIAL~~

19

~~CONFIDENTIAL~~

1 So I didn't think that there was anywhere else for  
2 us to be able to move to. So we just -- pretty much all  
3 we could do was to hold and continue to try and  
4 communicate with him to see if he would come out, but it  
5 never seemed to -- it never seemed to imply that he  
6 wanted to come out.

7 I had my radio on me, but I -- for through a lot of  
8 it, I had it kind of turned down so that -- because I

9 knew if Sergeant Alferez or whoever was communicating  
10 was standing right behind me, there would be a lot of  
11 feedback. And I also had it turned down a little bit so  
12 that I could hear, try and hear what he was saying  
13 through the window.

14 So I couldn't -- could not hear everything that was  
15 going on through the radio, but I could hear it through  
16 either Sergeant Alferez's radio or -- or some of the  
17 officers behind me's radio. However, I would turn it up  
18 if there was something going on. Like when I heard at  
19 the point when -- when the officers in the rear of the  
20 location, you know, saw -- saw him in the back, they --  
21 they began to broadcast, "Hey, we have him in the back  
22 of the house," that's when I turned my radio up.

23 I could hear them saying that, "Hey, he's pacing in  
24 the back and he's in the back and he's armed with a  
25 knife."

~~CONFIDENTIAL~~

20

~~CONFIDENTIAL~~

1 They also broadcast, and I could hear that they --  
2 that went -- walked back towards the house, opened the  
3 door, and then now was armed with two knives. And

4 then that's the point at which shortly after that, I  
5 heard him, or I heard what I believed to be a less  
6 lethal round on the two-side and then -- then

7 broadcasted that he's running towards the front of the  
8 house.

9 DETECTIVE RHEAULT: Take your time.

CV22 03188 DMG (SKX)  
10 OFFICER GRIFFIN: I know -- I know we didn't want to  
11 -- we already covered it.

12 DETECTIVE RHEAULT: Well, yeah. And so is that --  
13 now, you've talked about open the door armed with two  
14 knives and you heard less lethal being fired on the side  
15 of the house.

16 OFFICER GRIFFIN: Uh-huh.

17 SUBJECT TO  
18 that's immediately up to the point before you used  
19 deadly force, which we covered yesterday?

20 OFFICER GRIFFIN: I believe so, yes.

21 DETECTIVE RHEAULT: Okay. So at this point, why  
22 don't I do this? We'll break the interview up into  
23 parts. Let me go back over what you covered up to this  
24 point, and then I'll ask follow-up on -- regarding the  
25 force you that talked about yesterday.

~~CONFIDENTIAL~~

21

~~CONFIDENTIAL~~

1 OFFICER GRIFFIN: Okay.

2 DETECTIVE RHEAULT: Okay. Okay. And going back to  
3 the very beginning.

4 OFFICER GRIFFIN: Okay.

5 DETECTIVE RHEAULT: I know you followed another unit  
6 to the location. And that was 63? George-63?

7 OFFICER GRIFFIN: Correct.

8 DETECTIVE RHEAULT: Okay. And again, who were those  
9 officers?

10 OFFICER GRIFFIN: Officer Morales and Rodriguez

11 DETECTIVE RHEAULT: Morales and Rodriguez. Okay.

12 All right. Did you notify communications that you were  
13 responding to the radio call?

14 OFFICER GRIFFIN: Not originally because generally,  
15 what we're responding to a backup, we're not going to --  
16 as long as there's -- we hear one unit en route, we're  
17 not going to tie up the air until we get there or it's  
18 calm enough to notify them, hey, we're there, but

19 especially if a unit's putting out a backup for a 415  
20 man armed with a knife, we don't like to broadcast, you  
know, a bunch of units en route because it's going to  
tie up the air.

21 And if he puts out shots fired or needs help or  
22 anything like that, it's going to get -- it's going to  
23 be tied up.

~~CONFIDENTIAL~~

22

~~CONFIDENTIAL~~

1 DETECTIVE RHEAULT: I understand. Okay. How about  
2 regarding Code 6? Did you place yourselves Code 6 there  
3 and -- and --

4 OFFICER GRIFFIN: Not that I recall. Yeah.

5 DETECTIVE RHEAULT: Uh-huh. And had you ever been  
6 to this -- once you arrived there, had you ever been to  
7 that location before?

8 ~~MURKIN v. COIA~~ OFFICER GRIFFIN: To this -.

9 DETECTIVE RHEAULT: Knowingly?

10 OFFICER GRIFFIN: No. No, I never -- not knowingly.

CV22 03188 DMG (SKX)  
11 DETECTIVE RHEAULT: Ever have any contact with that  
12 suspect before?

13 OFFICER GRIFFIN: Not that I'm aware of.

14 DETECTIVE RHEAULT: Uh-huh. Uh-huh. Now, you were  
15 indicated you were logged off and you explained why.  
16 And that so you waited at the gate for Morales and  
17 Rodriguez to take the lead --

18 OFFICER GRIFFIN: Uh-huh.

19 DETECTIVE RHEAULT: -- because you didn't know  
20 exactly the location. What would they have access to  
that would have allowed them to know the location?

22 OFFICER GRIFFIN: They would have access in their  
23 MDC, which they could bring up the call which would give  
24 them the exact address.

25 DETECTIVE RHEAULT: I see. And the MDC, is that

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

1 Mobile Digital Computer or -- or --

2 OFFICER GRIFFIN: Yes. Yeah. It's a -- well, it's  
3 the computer that we have. I don't know if they changed  
4 it. I think it's MDT or something now, but we also call  
5 it the computer in our car, police (UNINTELLIGIBLE)

6 DETECTIVE RHEAULT: Okay. Understood. Okay. Where  
7 comments of a radio call could be pulled up or of an  
8 incident?

9 OFFICER GRIFFIN: Yes.

CV22-03188 DMG(SKX)  
10 DETECTIVE RHEAULT: I understand. Okay. Any  
11 discussion of -- and it can be well en route to this  
12 call or in prior discussions of tactics with your  
13 partner that you can tell us about that you've had at --  
14 and this can be at any point. How -- let me ask you  
15 this. Number one, how long have you been working with  
16 your partner, Lopez?

17 OFFICER GRIFFIN: I've been working with Lopez for  
18 over three years now. And so we've discussed, I mean,  
19 numerous, more than I can -- I can count, different  
20 types of situations, different types of tactics on how  
21 we would handle different types of situations.

22 We -- so between him and I, I mean, we usually talk  
23 about some type of situation almost every day at start  
24 of watch, or throughout the shift, we talk about  
25 different situations, like kind of how we would handle

~~CONFIDENTIAL~~

24

~~CONFIDENTIAL~~

1 they were -- there was a primary unit in the backyard  
2 that Sergeant Alferez had -- had come -- to come back  
3 out. I believe that he him to go back to meet with the  
4 family to continue the investigation.

5 DETECTIVE RHEAULT: Okay. Do you know where they  
6 met with the family at?

7 OFFICER GRIFFIN: No, I do not.

8 DETECTIVE RHEAULT: Do you know if the family

9 remembers remained where you initially saw them as you  
10 arrived? CV22-03188 DMG (SKx)

11 OFFICER GRIFFIN: I do not know.

12 DETECTIVE RHEAULT: Okay. So when you refer to  
13 having containment on the suspect and unable to move so  
14 he wouldn't have access to the family members, you don't  
15 know where the family members were at that point or if  
16 they had been moved farther away or --

17 OFFICER GRIFFIN: Correct. Yeah. The last place I  
18 saw what I believed to be the family members was just a  
19 couple houses down.

20 DETECTIVE RHEAULT: Okay. But you -- do you

21 OFFICER GRIFFIN: I don't know if they were moved or  
22 anything after that.

23 DETECTIVE RHEAULT: Okay. Or do you know where that  
24 unit met with them?

25 OFFICER GRIFFIN: No.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

1 DETECTIVE RHEAULT: Okay. Did I get this correct  
2 that you, when you arrived, you were assigned as a  
3 contact team or --

4 OFFICER GRIFFIN: Yeah. I was -- I was an arrest  
5 team so part of the contact team for the suspect.

6 DETECTIVE RHEAULT: Okay. And your specific role  
7 was as the arrest team?

8 OFFICER GRIFFIN: Yes.

9 DETECTIVE RHEAULT: I see. Okay. Who else was on  
10 the contact team and what was - what was made up of  
11 that team?

12 OFFICER GRIFFIN: It was me and Officer Lopez, and  
13 then there was going to be less lethal I heard was  
14 assigned. I don't recall exactly to who it was assigned  
15 to. And then I know that somebody was also assigned as  
16 the cover officer. Again, I don't know specifically. I  
17 was, you know, focused on what my job would be.

18 DETECTIVE RHEAULT: Okay. And a cover officer, more  
19 specifically what would they be?

20 OFFICER GRIFFIN: The lethal.

21 DETECTIVE RHEAULT: Okay. Do you know what, if  
22 anything, they were armed with, the cover officer that  
23 was assigned?

24 OFFICER GRIFFIN: No.

25 DETECTIVE RHEAULT: Uh-huh. Okay. Through --

1 throughout the narrative you provided, you mentioned  
2 that the suspect would come to windows, the window  
3 closest to the door. What door are we talking about?

4 OFFICER GRIFFIN: The window closest to the door is  
5 the front door, so it's a door kind of in the driveway  
6 and it's facing eastbound and it's right next to the  
7 garage.

MURTHILLO V. COTA  
8 DETECTIVE RHEAULT: Okay. So the window you're  
9 referring to is right next to the front door?

CV22-03188 DMG (SKx)  
10 OFFICER GRIFFIN: Yes.

11 DETECTIVE RHEAULT: And is the window also facing  
12 eastbound?

13 OFFICER GRIFFIN: It's also facing eastbound.

14 DETECTIVE RHEAULT: I see. Okay. And you had  
15 mentioned at times you would see him appear briefly.  
16 You might see the curtains move. Did you ever see him,  
17 you personally see him armed with knives?

18 OFFICER GRIFFIN: No.

19 DETECTIVE RHEAULT: No? Okay. You had mentioned,  
20 you know, that you're waiting. And you made some  
21 assumptions because -- on -- on the PA that they had  
22 mentioned SWAT, that SWAT had been notified and was  
23 responding. Do you know if they were actually notified,  
24 SWAT?

25 OFFICER GRIFFIN: I -- I do not.

~~CONFIDENTIAL~~

1 DETECTIVE RHEAULT: Okay. Did you personally make  
2 any notifications yourself?

3 OFFICER GRIFFIN: No.

4 DETECTIVE RHEAULT: Okay. And how about MEU? Do  
5 you -- do you know if they were notified?

6 OFFICER GRIFFIN: I did hear a broadcast about MEU  
7 being en route.

MURKILLO V. COTA  
8 DETECTIVE RHEAULT: Okay. I see. You gave an  
9 explanation why you unholstered your pistol. And at any  
10 point, did you holster your pistol prior to the officer  
11 involved shooting?

12 OFFICER GRIFFIN: Yes.

13 DETECTIVE RHEAULT: Okay. And when was that?

14 OFFICER GRIFFIN: Sergeant Alferez directed all the  
15 officers that were, you know, at the scene to either  
16 have some -- another officer go get them their helmets  
17 or to, you know, get their helmets. So he directed  
18 everyone to basically put on their helmets. Officer

19 Lopez went back to our vehicle, grabbed both of our  
20 helmets.

When he got to us, told him, "Hey, put on your  
helmet, take my position."

So once he put his helmet on, he took my position as  
a designated cover officer on the right side of the  
vehicle, and then I reholstered my weapon, put my helmet

2 OFFICER GRIFFIN: I knew -- I could hear that they  
3 assigned someone on the other side of the vehicle but I  
4 don't know who it was.

5 DETECTIVE RHEAULT: I see. Okay. From your  
6 location on the right side of the vehicle, were there  
7 additional officers on the left side of the vehicle?  
8 I'm sorry. Let me get that established first.

9 OFFICER GRIFFIN: Yes. There were officers on the  
10 left side of the vehicle. CV2 2-03188 DMG (SKx)

11 DETECTIVE RHEAULT: Okay. From your position on the  
12 right side of the vehicle, would you have been able to  
13 act as a cover officer for those officer on the left  
14 side?

15 OFFICER GRIFFIN: Only to the extent of directly in  
16 front of the vehicle, but not to cover every -- them on  
17 their left -- on the left of them.

18 DETECTIVE RHEAULT: I see. Okay.

19 OFFICER GRIFFIN: Right.

20 DETECTIVE RHEAULT: That -- that I understand

21 that. So directly north of you, yes, but not to  
22 their -- the west?

23 OFFICER GRIFFIN: Correct.

24 DETECTIVE RHEAULT: I see.

25 ATTORNEY WINSLOW: And you also had a view down the

2 OFFICER GRIFFIN: Yes, the front door.

3 DETECTIVE RHEAULT: Did you personally have any  
4 communications with the suspect?

5 OFFICER GRIFFIN: No.

6 DETECTIVE RHEAULT: And did you personally give any  
7 orders to the suspect even immediately prior to the OIS  
8 as he's any orders or instructions or commands?

9 OFFICER GRIFFIN: Not that I recall.

10 ATTORNEY WINSLOW: And you mean as he was running  
11 towards him?

12 DETECTIVE RHEAULT: Yes. And I'm sorry if, yeah, I  
13 wasn't specific enough. Exactly. When he was running  
14 towards him. Okay.

15 OFFICER GRIFFIN: To elaborate on that, at the point  
16 on which, you know, I -- he was coming at me, I -- at  
17 the speed of which I didn't think that I had any time to  
18 give him any commands.

19 DETECTIVE RHEAULT: I understand.

20 ATTORNEY WINSLOW: Had he listened to any commands  
21 or suggestions whatsoever the whole time you were there?

22 OFFICER GRIFFIN: No. I mean, not with any of our  
23 requests to -- to exit or even to just show himself at  
24 the window or, you know, to continue to move to the  
25 window so we could communicate with him. So not that

2 DETECTIVE RHEAULT: You had mentioned at one point a  
3 team moved forward and got a man and woman out of the  
4 garage.

5 OFFICER GRIFFIN: Yes.

6 DETECTIVE RHEAULT: Okay. And then -- and that  
7 point, you believed the suspect was the only one in the  
8 house? ~~MURKILLO V. COLA~~

9 OFFICER GRIFFIN: Yes.

10 DETECTIVE RHEAULT: Okay. When the OIS ultimately  
11 occurred, did you -- did you have any opinion at the  
12 time if the house -- the house directly behind the  
13 suspect was occupied? And I'm referring to I guess the  
14 suspect's house that he's running -- now running out of.

15 OFFICER GRIFFIN: Yeah. After when the OIS  
16 occurred, I -- my understanding was that there was no  
17 one else inside the house. ~~SUBJECT TO~~

18 DETECTIVE RHEAULT: I see. A couple of questions  
19 related to when you fired your weapon. Did you observe  
20 anyone else in the background of the suspect? ~~PROTECTIVE ORDER~~

21 OFFICER GRIFFIN: No.

22 DETECTIVE RHEAULT: Okay. How about in your

1 knife?

2 OFFICER GRIFFIN: No.

3 DETECTIVE RHEAULT: Okay. And I'm sorry. I believe  
4 that you mentioned that -- that -- you mentioned he was  
5 armed with a knife and then two knives. Is that  
6 correct?

7 OFFICER GRIFFIN: Yes.

8 DETECTIVE RHEAULT: Okay. Okay. In yesterday's  
9 interview, you mentioned hearing those broadcasts over  
10 the air that he's -- he was exiting, he had the two  
11 knives. And then very quickly after that, you heard  
12 that less lethal was being deployed on the two-side, the  
13 side of the house. Do you recall that?

14 OFFICER GRIFFIN: Yes.

15 DETECTIVE RHEAULT: Then on the one-two corner, you  
16 observed the black gate crash open and you indicated  
17 that you hear the officer next to you, that Officer  
18 Gutierrez who you've identified now was firing the  
19 beanbag. Can you tell me in relation to the suspect  
20 where the suspect's at when you're hearing that beanbag  
being fired?

22 OFFICER GRIFFIN: In relation to me or just in  
23 the -- at the property?

24 DETECTIVE RHEAULT: At the property, because, you  
25 know, you've given us reference points in yesterday's

1 interview --

2 OFFICER GRIFFIN: Okay.

3 DETECTIVE RHEAULT: -- when you talked about the  
4 one-two corner with the gate, and then you also talked  
5 about a vehicle and how he came to the bumper closest to  
6 you before he turned southeast in your direction as well  
7 as the other officer's direction.

8 **MURKIN TO V GOT A**  
OFFICER GRIFFIN: Okay. So the first round that I

9 know, the first beanbag round that I know that I fired  
10 was just after he exited the gate, and it was in the  
11 direction of where that -- that gate was. Then I -- I  
12 think the next round that I saw was as he was getting to  
13 the eastern bumper of that car that was closest to me.

14 And I don't recall any other rounds.

15 DETECTIVE RHEAULT: Okay. How many rounds total do  
16 you recall that -- that were fired by the beanbag?

17 **SUBJECT TO**  
OFFICER GRIFFIN: I recall those -- those two. I  
18 don't know if any other ones were fired.

19 DETECTIVE RHEAULT: Do you know if the rounds  
20 impacted him? **PROTECTIVE ORDER**

21 OFFICER GRIFFIN: I do not know.

22 DETECTIVE RHEAULT: Okay. Was there -- okay. Let  
23 me break that down too. Did you -- did you see any of  
24 the rounds hit him?

25 OFFICER GRIFFIN: Not that I'm aware of. No. I --

5 I apologize.

6 OFFICER GRIFFIN: It's okay.

7 DETECTIVE RHEAULT: In relation to hearing the  
8 beanbag being fired, did you see his -- you already said  
9 he was running. And I think you said yesterday it was  
10 like a linebacker --

12 DETECTIVE RHEAULT: -- and he's running. In  
13 relation to hearing the beanbag fired, did you see his  
14 progress being slowed or altered in any manner?

15 OFFICER GRIFFIN: No.

16 DETECTIVE RHEAULT: Okay. You indicated yesterday  
17 you observed a knife in his hand and didn't recall which  
18 hand. After having a night of sleep after being up for  
19 an extended period of time, do you now recollect what  
20 hand that you observed the knife in?

21 OFFICER GRIFFIN: I believe it was his right hand.

22 DETECTIVE RHEAULT: It -- you believe his right  
23 hand?

24 OFFICER GRIFFIN: Yeah.

25 DETECTIVE RHEAULT: Okay. You indicated you

2 OFFICER GRIFFIN: Yes.

3 DETECTIVE RHEAULT: Okay. Can you describe that  
4 further? Like are we talking about the blade of the  
5 knife pointed in your direction, the point, or -- can  
6 you describe it for me?

7 OFFICER GRIFFIN: It was both. So originally, when  
8 he had his hands kind of in front of him, you know, the  
9 -- the blade with the -- the blade was pointed up, you  
10 know, towards the sky I would even say. And, you know

CV2 11 -

12 DETECTIVE RHEAULT: Is this the blade or the point?

13 OFFICER GRIFFIN: The point. The point was blade  
14 pointed up, and so then the blade, I guess the sharp,  
15 you know, long side would be towards us. But then at  
16 one point, the pointy end, you know, whatever you call  
17 it -- SUBJECT TO

21 DETECTIVE RHEAULT: Okay.

22 OFFICER GRIFFIN: (UNINTELLIGIBLE)

23 DETECTIVE RHEAULT: And when you observed it more

3 OFFICER GRIFFIN: I don't recall exactly, you know,  
4 you know, in (UNINTELLIGIBLE) which rounds I was firing,  
5 but it was -- I know it was from when I was firing my  
6 rounds at -- at him.

7 DETECTIVE RHEAULT: We talked about your four shots.  
8 And yesterday, I asked you prior to your second shot,

9 you know, you indicated he was still moving towards you  
10 and the other officers and you observed him with a knife  
11 at that time. Where were you aiming for that second  
12 shot, or you indicated your first shot was center --

13 aiming for the center body mass. Did your aiming point  
14 change, I guess, and can you tell me that?

15 OFFICER GRIFFIN: No. My -- all of my shots were  
16 heading for his torso, center mass.

17 DETECTIVE RHEAULT: Okay. Prior to firing your  
18 third shot, okay, and let me put it and frame it again.

19 You indicated when you fired your fourth shot, he was  
20 leaning very far forward so you couldn't have

21 visually see his hands. But prior to your third shot,  
22 could -- could you see the knife in his hand?

23 OFFICER GRIFFIN: Not that I recall.

24 DETECTIVE RHEAULT: Okay.

25 OFFICER GRIFFIN: It was the -- it was the same with

3 DETECTIVE RHEAULT: Okay. In what direction was he

5 OFFICER GRIFFIN: I believe towards me.

6 DETECTIVE RHEAULT: Okay. Was he still running or -  
7 or was he -- you last described him as running. Is he  
8 still running at the time of the third shot?

9 OFFICER GRIFFIN: I believe -- I thought so, yes. I

13 OFFICER GRIFFIN: Uh-huh.

14 DETECTIVE RHEAULT: And I believe you described it  
15 as, you know, arms bent and -- and I -- we gave like a  
16 specific angle where the fists were in his hands. With  
17 the understanding you can't see his actual hands because  
18 he's leaning forward, has his -- from what you can see

20 see those, has -- has that hand position changed?

21 OFFICER GRIFFIN: No.

22 DETECTIVE RHEAULT: No? Okay. What -- and could  
23 you -- could you see? What could you see? He's leaned

5 discard anything?

6 OFFICER GRIFFIN: No.

7 DETECTIVE RHEAULT: Okay. And did you - did you  
8 have a belief of where the knife was when you fired your  
9 third shot?

10 OFFICER GRIFFIN: I believe he still had it on him.

11 DETECTIVE RHEAULT: Oh.

12 OFFICER GRIFFIN: It was in his hand.

13 DETECTIVE RHEAULT: In his hand?

14 OFFICER GRIFFIN: Yeah.

15 DETECTIVE RHEAULT: I see. Okay. And you described  
16 him running towards you. At any point, did you see any  
17 transfer of anything between his hands?

18 OFFICER GRIFFIN: No.

19 DETECTIVE RHEAULT: No? Okay. All right. Are you  
20 -- were you aware of anyone else firing? You mentioned  
the beanbag. I'm talking about lethal. Prior to or

6 OFFICER GRIFFIN: I was moving backwards.

15 OFFICER GRIFFIN: I do not know where.

16 DETECTIVE FULLER: Okay. And before being ordered

19 being ordered not to talk about it?

20 DETECTIVE RHEAULT: In -- in -- and characterize his

24 -- potentially, any tactical communications or any  
25 communications you have between the officers before

2 OFFICER GRIFFIN: Yeah. So the conversation we had  
3 after the OIS, we -- we -- we were speaking about where  
4 the knife possible was in relation to the suspect. We  
5 wanted to know where it was because we didn't want --  
6 didn't want to go hands on with him without knowing  
7 exactly where it was. And then we also spoke about you  
8 know, the best way to approach, and then also, some  
9 crossfire issues that came up during while we were  
10 putting handcuffs on him.

11 And then shortly after that, we briefly spoke on we  
12 still didn't know exactly where the knife was.

13 DETECTIVE FULLER: Did that confuse you that you  
14 didn't see the knife?

15 OFFICER GRIFFIN: Yes.

16 DETECTIVE FULLER: And why is that?

17 OFFICER GRIFFIN: Because I -- I knew that I had

19 ATTORNEY WINSLOW: (UNINTELLIGIBLE)

20 DETECTIVE RHEAULT: (UNINTELLIGIBLE)

21 ATTORNEY WINSLOW: Yeah (UNINTELLIGIBLE)

24 OFFICER GRIFFIN: Uh-huh.

25 DETECTIVE RHEAULT: -- when there's tactical, or I'm

~~CONFIDENTIAL~~

1 -- I'm not going to phrase it as tactical. When there's  
2 comments being made back and forth between officers,  
3 including you and other officers, I heard a reference to  
4 like 100 percent. Do you recall hearing that yourself?

5 OFFICER GRIFFIN: Yeah. So that -- I -- I believe  
6 that was me saying a hundred percent. And it was in  
7 regards to because we hadn't at that point located a  
8 knife. And then I don't -- I don't remember exactly

9 what was said to me but it was, you know, in regards to  
10 there being a knife, and I was like, yeah, a hundred  
11 percent because I knew a hundred percent that I saw it  
12 before the OIS when at this point, we still hadn't seen  
13 it, so that was what it was in regards to.

14 DETECTIVE RHEAULT: Someone was inquiring if -- if a  
15 knife was actually present, and you said, "A hundred  
16 percent"?

17 OFFICER GRIFFIN: Not that it -- it -- it was  
18 present but that it was seen.

19 DETECTIVE RHEAULT: Oh, okay. And let me --  
20 OFFICER GRIFFIN: Okay.

21 DETECTIVE RHEAULT: Okay. Can you clarify that it

5 the -- like I spoke about my military training as far as  
6 with knives. And I just wanted to -- I don't think I  
7 touched on it. The -- based off of his speed and, you

9 any time to give him any commands and that I, you know,  
10 I had to -- to, you know, use my pistol and fire rounds  
11 at him to stop him because I know he was only a split  
12 second away from getting to -- to me and the officer  
13 with the beanbag.

14 And I, you know, I've seen what happens, obviously,  
15 in this line of work, to multiple people that have been  
16 stabbed, how, you know, you -- you know, people can be  
17 killed off of, you know, getting stabbed just one time  
18 and how, you know, how easy it is to be -- to be  
19 seriously injured or killed.

20 And so, you know, based off of all that and, you  
21 know, my -- my experience, you know, I was definitely  
22 afraid that if I didn't use, you know, any type of --  
23 any type of lethal force, you know, that as soon as I  
24 possibly could, he was going to get to me and the  
25 officer next to me and be able to seriously hurt or kill
